Please check every line confirming you agree to these rules.

- Respect the people who have stepped up to take the coaching roles. Have a 24-hour calming period if you need to approach the coach. Nothing good comes out of speaking with high emotion. Without the volunteers there would be no Jr Pro Basketball.
- Positions are not punishments or rewards. Every spot on any team is an integral piece of the puzzle.
- Instill being a good teammate in your child. It is never ok to talk down to your teammates or your coaches. There is no “I” in team.
- No foul language.
- Remember children are involved in organized sports for their enjoyment, not yours.
- Applaud good plays by your team and by members of the opposing team.
- Do not publicly question the referee’s judgment and never their honesty.
- Any coach/spectator who is heard verbally abusing a referee will automatically be asked to leave. Verbal abuse includes foul and abusive language and comments with racial or sexual overtones.
- There will be no tolerance for unacceptable behavior of the coach/spectator after the game.
- If you are disruptive the coach, board member or referee has the right to make you leave the game.
 - You will be given 1 warning, 2nd time you will be asked to leave, 3rd you will not be allowed back.

If your child is new to the program or moving up, they will be required to attend the skills day for team placement.

Let’s always remember that youth sports are meant for the kids, and these are the days that will turn into core memories for them, so always keep it fun!
