Please check every line confirming you agree to these rules.

- Respect the people who have stepped up to take the coaching roles. Have a 24-hour calming period if you need to approach the coach. Nothing good comes out of speaking with high emotion. Without the volunteers there would be no baseball program.
- Positions are not punishments or rewards. Every spot on any team is an integral piece of the puzzle.
- Instill being a good teammate in your child. It is never ok to talk down to your teammates or your coaches. There is no “I” in team.
- **NO FOUL LANGUAGE.**
- Remember children are involved in organized sports for their enjoyment, not yours.
- Applaud good plays by your team and by members of the opposing team.
- Do not publicly question the umpire’s judgment and never their honesty.
- Any coach/spectator who is heard verbally abusing an umpire will automatically be asked to leave. Verbal abuse includes foul and abusive language and comments with racial or sexual overtones.
- There will be no tolerance for unacceptable behavior of the coach/spectator after the game.
- If you are disruptive the coach, board member or umpire has the right to make you leave the game.
 - You will be given 1 warning, 2nd time you will be asked to leave, 3rd you will not be allowed back.
